

Become a 2021 SCI Sask Best Business Today!

Spinal Cord Injury Saskatchewan is currently seeking 12 companies to become a 2021 SCI Sask Best Business.

Where: In the Businesses Sector throughout the Province of Saskatchewan.

What: A 2021 SCI Sask Best Business invests a portion of your proceeds for an exclusive month in 2021 to SCI Sask. **Example:** A restaurant may dedicate that 15% of all take-out orders for the month of March will be invested to SCI Sask.

Why: SCI Sask serves over 1100 individuals, families and communities via our mission and strategic goals. We ensure services are available to assist with changed aspects of individual life-journey and challenges for people living with spinal cord injuries and other physical disabilities.

All investments will go towards operations, services and specific projects for rehabilitation; rural, remote and Indigenous communities; mental wellness; community engagement; education and employment, peer mentorship; accessibility enhancements; and additional support required by our clients as we move forward during the unprecedented times of COVID-19.

Benefits: As a 2021 SCI Sask Best Business, your company will receive the following:

- An exclusive month in 2021 as a SCI Sask Best Business.
- SCI Sask will post your business as a 2021 SCI Sask Best Business on our social media channels during your exclusive month.
- Four free radio advertisements courtesy of Rawlco Radio during the month your business dedicates a portion of proceeds to SCI Sask.
- A window decal to display at your office as a 2021 SCI Sask Best Business.
- A charitable tax receipt will be issued for your financial investment.

To be promoted as a 2021 SCI Sask Best Business, a minimum investment of \$3,000 is expected.
