August 18 2021

Dear Potential Sponsor;

Spinal Cord Injury Saskatchewan is excited to host our 21st Annual Saskatoon Wheelchair Relay on September 17 2021! The event is held outdoors at the accessible location of Saskatoon Civic Square. The Wheelchair Relay is a fantastic opportunity to experience this unique and universal event, which is equalized by everyone participating through the use of a wheelchair. The Wheelchair Relay is a community friendly event of awareness, inclusion, cooperation and fun. Fuel your team with entertainment, complimentary beverage and food, plus prizes to be won!

Much of the success of our event can be credited to the generous support of our many sponsors. Through a corporate sponsorship, your company will be showcased in the community as a proud supporter of Spinal Cord Injury Saskatchewan Inc. Additionally, your financial support facilitates our work towards building an inclusive and accessible community for individuals living with spinal cord injuries and other physical disabilities.

The SCI Sask Saskatoon Wheelchair Relay provides an avenue for your company to actively contribute through community engagement and event participation. The sponsorship options are outlined for your consideration in the enclosed Sponsorship Package; options include an invite to set-up a booth/tent during the event for additional sponsorship exposure, and community giveaways! This year we welcome and encourage corporate teams as the event will be held over the noon hour break on Friday September 17 2021.

SCI Saskatchewan believes that your company will gain great value in this sponsorship and community-involvement event; we look forward to your commitment to your participation and contribution to enhance community inclusion. You are most welcome to contact our organization for answers to any questions or visit our website at scisask.ca.

Thank you,

Launel J. Scott
