Our Mission

Spinal Cord Injury Saskatchewan Inc. assists persons living with spinal cord injuries and other physical disabilities to achieve independence, self-reliance and full community participation

Who we Serve

As a community-based non-profit organization, SCI Sask provides supports and services for people living with a spinal cord injury and other physical disabilities, their families and their community.

Every day across Saskatchewan, people living with spinal cord injuries and other physical disabilities are working to rebuild their lives, regain independence, and stay connected to their communities. For many, that journey can feel isolating—especially in rural and northern areas where supports are harder to access. That’s where Spinal Cord Injury Saskatchewan steps in; we are the bridge that connects client to community.

SCI Sask is reaching out to invite you to partner with us as a sponsor of our **7th Annual Golf Tournament Fundraiser**, a day that brings our community together with a shared purpose: helping people with physical disabilities and their circles of support live fuller, more independent lives. The funds raised through this event make a direct and meaningful difference. They help us:

- Connect individuals to peer support, where someone who has lived the experience can offer understanding, encouragement, and hope.
- Reach people in rural and northern communities who might otherwise go without services or support.
- Provide education and employment services and supports that open doors to meaningful work and greater independence.
- Strengthen and expand our services so that people across Saskatchewan are not left behind.

The motivation for every program or service we provide is a person—a neighbour, a co-worker, a family member—who simply needs the right support at the right time.

Your sponsorship is more than a logo on a sign or a name on a banner. It is a statement that your organization believes in inclusion, dignity, and opportunity for everyone. It is a direct investment in real people and real outcomes across our province.

We would be honoured to have your support and would be happy to share our sponsorship opportunities or discuss a partnership that aligns with your values.

Thank you for considering this opportunity to make a lasting impact. With sincere appreciation,

Delynne Bortis
Executive Director
