Our Mission

Spinal Cord Injury Saskatchewan Inc. assists persons living with spinal cord injuries and other physical disabilities to achieve independence, self-reliance and full community participation

Who we Serve

As a community-based non-profit organization, SCI Sask provides supports and services for people living with a spinal cord injury and other physical disabilities, their families and their community.

Across Saskatchewan, people living with spinal cord injuries and other physical disabilities are navigating life-changing experiences—adjusting to new realities, rebuilding independence, and finding ways to stay connected to the people and places that matter most. For many, especially in rural, northern, and southern communities, this journey can feel isolating when support is out of reach.

Spinal Cord Injury Saskatchewan is committed to ensuring people are supported every step of their journey.

We walk alongside individuals and their families, offering support that is practical, personal, and responsive to where they are in life. Our work focuses on four key areas:

- **Adaptive Living & Support** – Helping individuals and families access essential supports like equipment, housing, transportation, and peer connections—so they can navigate daily life with greater confidence.
- **Education & Employment** – Opening doors to opportunity through career guidance, skill development, and workplace supports that foster independence and purpose.
- **Community Inclusion & Awareness** – Working with communities and partners to break down barriers and create spaces where everyone feels included and valued.
- **Accessibility & Navigation** – Providing clear guidance and accessibility expertise to help people and organizations find the right path forward.

As we look ahead to the **2026 Regina Wheelchair Relay**, we invite you to stand with us as a sponsor. Your support helps ensure that individuals across Saskatchewan are not left to navigate these challenges on their own.

Sponsorship is more than recognition—it's a way to show compassion in action. It's a commitment to building a province where everyone has the opportunity to live with dignity, independence, and belonging.

We would be honoured to partner with you and explore how we can make a meaningful difference together. Thank you for considering this opportunity

Warm regards,

Delynn Bortis
Executive Director
Spinal Cord Injury Saskatchewan

SPONSORSHIP OPPORTUNITIES

Each day in Saskatchewan, individuals experience spinal cord injuries or continue to live with their long-term effects, facing significant and often life-altering changes. SCI Saskatchewan is an organization dedicated to supporting people with spinal cord injuries and other physical disabilities. We provide compassionate, person-centred services that promote independence, inclusion, and meaningful connection within the community.

To help enhance the lives of those we support, we invite you to partner with us by securing a sponsorship for the 2026 Regina Wheelchair Relay.
